Announcements

President's Message – Ann Barefield

We need YOU!! The question I often hear from members and friends of the UUFMC is, "How can I help?" One answer that I would like to encourage you to consider is, "Volunteer to serve on one of our many committees that help ensure that the business of the Fellowship is on-going and well implemented. For example, the Coffee Committee really needs your help. All of us like to have our coffee on Sunday morning, but few of us have volunteered to make the coffee and clean up after the service. If we are going to continue having coffee on Sunday before the Forum and after the service, we need more people to volunteer to do the jobs that are required to get the coffee made and cleaned up. If you are willing to help make the coffee, call or e-mail Wendy Griffith, Fran Marciano or sign-up on the list that is available every Sunday on the counter where the coffee is served. All names, e-mails and phone numbers are in the UUFMC Directory. In fact, in the back of the directory you will find a list of the committees and chairpersons.

Another committee that really needs your help is the Fund Raising Committee. They need more members to help plan the activities that will raise the money needed to pay back the LLC for our mortgage on the new building and fund other special activities for our Fellowship. If you are willing to help on this very important committee, please contact Barbara Schuster by telephone or e-mail and let her know of your interest.

The choir needs voices that belong to people who like to sing!! If you can read music, please join the members of the choir on Saturday at 1:00 p.m. at the Fellowship building to raise your voice in song. It is fun to get together and share your talent with a most enjoyable group of people. If you think you would be willing to join this group, please call or e-mail Ruth Prentice. The group particularly needs altos but all other voices are needed also.

You don't have to be a financial wizard to be on the Finance Committee. However, it helps if you have some knowledge of and interest in finance. This committee is crucial to the ongoing operation of the Fellowship and we need to begin mentoring new members on this committee. Please contact Jim McIntosh if you are interested in and willing to serve on the Finance Committee. Your expertise is needed!!

The Caring Committee is another group that needs your support. This group keeps up with the needs of our members and contacts or takes food to those who are ill, bereaved, or in need of assistance. This is one way we show our love for the members and friends of the congregation. Yolanda Brod is in need of assistance on this committee and she would appreciate it if you would call her if you are willing to help. She does not have an e-mail address.

If you cannot find a committee in this list that interests you, please look on the inside back cover of the UUFMC directory for a list of all the committees. I know you will be able to find at least one place where you can serve the Fellowship. We

all need to be involved in making our Fellowship work for us. Please join those who are already volunteering and help us fulfill the Mission, Vision and Values of the Fellowship. You can find our Mission, Vision and Values on page ii of the UUFMC Directory.

If you cannot contact the people mentioned in this article, please call or e-mail me, Ann Barefield, at (352) 205-8226 or abarefield@comcast.net.

Leadership Team Meeting:

*The Leadership Team Meeting has been changed to Sunday, October 5, 2008 from 12:00 noon to 2:45 p.m. immediately following the service, refreshments and conversation. Please mark your calendars. October Board Meeting:

This is the second request for items.

The Art of the Short Story workshop – Barbara Schuster

An invitation to share your flowers.....

We would enjoy flowers or greenery for the table on the stage and or in the foyer (or both). If interested or if you have questions please contact Allie by October 15th. Thank you.

ASSOCIATION SUNDAY

There is no better time than today to help bring our message of peace, justice and love to the world. By combining our resources with other congregations across the nation we can grow our faith. We are better together!

The Unitarian Universalist Fellowship of Marion County is a member congregation of the Unitarian Universalist Association. October 12th we will join with congregations across the nation to recognize and contribute to the UUA's comprehensive campaign to grow Unitarian Universalism in all its many dimensions. On October 12th a special collection will be taken to support excellence in ministry and lay theological education.

- 50% of the funds raised for Association Sunday will support Lay Theological Education programs.
- 50% of the funds raised will be divided equally among scholarships for promising students preparing for our ministry.

Handouts with more detailed information are on the information table.

Humanist Group meeting – Bob Zannelli

There will be a kickoff meeting of the Humanist group on **Oct 16 at 2 PM** at the Fellowship. We will discuss the benefits of membership in various Humanist organizations and where we want to go with this group.

The Water Ceremony

The water service is celebrated annually by many UU congregations and can be especially meaningful for congregations when many members depart for the summer months. Each person (who wishes) brings a tiny container of water from somewhere where they spent their summer. It can be from exotic international locations or from the kitchen sink. Then they pour their water into a jug with everyone else's water, and memories, and share if they wish, a little about their summer. **Since people weren't prepared this summer to collect water. Everyone can bring a sample from their sink and it can represent the waters of a favorite place.**

Some of the water is then saved (after being boiled to avoid contamination) for the next year's water container to signify continuity.

The title is "Coming Home Like Rivers to the Sea" and both Pat and I will present. Please be sure to remind members to bring a little water to add along with their memories.

UU Singles Club – Rona Gold

The UU Singles group will be meeting on **Sunday, September 28th**, for lunch. We'll meet in the lobby of the Fellowship after the Doxology to determine where we should go to eat. Please join us for a fun time. Rona Gold 750-3913

Choir – Ruth Prentice

Choir practice will begin on **Sept. 27**, Sat. at 1:00 at church. We will be learning "Things Are Always Changin'", plus something for Christmas. I hope all of last year's singers will be there, and that our snowbirds will join in when they return. If there are any others who love to sing and can read music, we would love for you to join us, also. It's a great way to get to know people and to have fun.
Ruth Prentice 307-6620

New Cookbook - Celia Freidenthal

Hello all Building & Grounds Committee Members,

It would be appreciated if all members and guests coming to UUFMC depart the grounds through the field in the back of the property to the dirt driveway behind the large water tank; essentially making our driveway a one-way street. This will hopefully alleviate the over-usage of the front drive where the turf is being torn up.

The Building and Grounds Committee is looking for new members who would be interested in joining this dedicated group of volunteers who oversee the upkeep and maintenance of our beautiful building and grounds. We would be especially interested in those who have a background in landscaping design and/or maintenance. Please contact any of the B&G Committee Co-chairs (Ed Hord, George Crichton, or Mike Donato) if you would be interested.

Child Care – Mary Hord

"Child Care during the 10:30 service, will be available beginning in September. Additional volunteers are needed to insure this service.

Please let us know if you would be willing to help on this committee. Contact Mary Hord at 352-237-2449 mhord@otowhomes.com

Social Justice – Bob Zannelli – URGENT Appeal

Members and Friends, unfortunately over the past several Sundays the amount of items collected for the Interfaith Emergency Services and the Domestic violence shelter has been falling off. We all need to be reminded that in this time of economic crisis we need to do what we can to lend a helping hand in our community. If everyone purchased just one item to donate each time they went shopping this would make a real difference. The following is needed;

Non Perishable food items

Personal Hygiene items.

Baby things, especially diapers.

Clothing and shoes in good condition.

Join the Social Justice Committee for a tour.

There will be a tour of the Interfaith Emergency Services Facility on Oct 15 at 2 PM. Interested individuals contact Bob Zannelli or any member of the Social Justice Committee. We will be arranging car pools from the Fellowship.

Reverse Trick or Treating Help end poverty among cocoa farmers, end abusive child labor in the cocoa industry, promote Fair Trade and protect the environment by giving Fair Trade chocolate along with an informational card to friends and neighbors. REMINDER FROM GIFT-MEMORIAL COMMITTEE

When preparations were being made to move into our new building, the Board of Trustees indicated that members and friends of the Fellowship should not just "drop off" items they wished to donate. That request is still in effect! Our space is so limited that we do not have room to store things that we might need in the future. If you do have items you wish to offer to the Fellowship, please contact a member of the Gift-Memorial Committee who will then speak with the appropriate committee chair to see if the items can be used.

Donations are a significant way to respond to the many needs of our growing Fellowship and we deeply appreciate the generosity of our members and friends. However, we do ask for your co-operation in view of our space limitations. Gift-Memorial Committee members include Jim Mitchell, Mary Ann Donato, John McCabe and Fran Marciano.

Getting to Know Us

Cecelia (Celia) Everist

Cecelia (Celia) Everist was born in the Chicago area, but she and her husband moved with their four sons to SW Florida 35 years ago. Having been a Certified Yoga Instructor and owner of two large schools in the Chicago area, she began teaching Yoga in her new environment. However, as her sons entered their teen years, Celia made a decision to return to public school teaching so that she would be at home with the boys in the evening.

Celia has a BA in Secondary Education, Social Studies major. She also went on to earn a MA in Administration & Supervision, an MS in Counseling & Guidance and an Educ. Spec. Degree in Social Sciences.

Career wise, Celia has worked as a high school and college teacher, guidance counselor and school administrator. She also wrote curriculum for and lead teams in developing several innovative programs in public schools in both SW Florida and in the Palm Springs-Palm Desert, California area.

Celia retired as a High School Administrator from Palm Springs, Ca. four years ago. She and her domestic partner moved to the Ocala area to be closer to their children and siblings. Celia's four sons live in Florida, Missouri and Kentucky. She has 11 grandchildren and 4 great-grandchildren. She also has 5 older siblings in Florida and Chicago.

Both being avid travelers, Hans and Celia traveled often those past 4 years. Unfortunately, Hans passed away last December.

Traveling is still a very important part of her life. She has visited all but 6 of the 50 states (never in New England!) and 38 other countries, with upcoming trips planned to a few more.

During her entire career in education, Celia presented many workshops and trainings for teachers and educators. In addition, she continued teaching evening classes in Hatha Yoga. She is now back teaching Yoga in Ocala and also giving workshops to various groups on various topics, such as one she recently gave to several groups of parents, grandparents and teachers on "Understanding and Communicating with Teens".

When not teaching or traveling, Celia enjoys reading, rug hooking, bridge playing, canoeing, etc. Her motto is definitely "Life is for doing!"

Being raised as a "church shopper", she and her family joined the Church of the Brethren when living in Illinois. She then became the leader in forming a new church in Florida for the denomination. After the children were raised, Celia was back "shopping" and doing that only occasionally. She happened on the UU church in Ft. Myers about 11 years ago and liked what she heard and saw happening. Now she hopes to make UU her permanent home.

UUA TRUSTEE TIDBITS

Joan Lund, October 2008

The fall winds, and the political parties' proclaiming time for change has put me in a frame of mind to write about change, a constant force in our personal and congregational lives. Does change bring conflict, or does conflict bring change? Both scenarios can be accurate. In either case both may be useful and productive, but not always. There is uneasiness involved in any change. People don't always know what to do with their feelings when change occurs. Sometimes this plays out in congregational life when congregants focus misplaced anxiety on specific persons rather than dealing with the real issues. Anxiety leads to non-thinking so it is important to be calm, present, and connected within the area of anxiety. It is important to deal with anxiety and to treat all persons with respect.

Anxiety may lead to conflict which arises when there is a disturbance in one's emotional being. Several factors may contribute to this state such as unresolved present or past family issues, unexamined values and behavioral expectations, different perceptions and understanding of another, or an imbalance of pressures created by the environment. We must remember each one of us has some part of a

truth associated with a current problem, but rarely, if ever, does any one of us have the whole or sole truth. Congregants need to speak their truths, as well as listening to the truth of our congregational friends and welcome, not fear our UU diversity.

Leaders in the congregation must be competent, informed, accountable, and in touch with contemporary reality. They are the ones responsible for the operations and health of the institution. Congregational leaders need to be aware that complaints are a sign of a perceived threat to the stability of relationships and thus the congregation. The leaders need to know how to assess what is going on in the present as well as being able to suggest avenues to explore to address the problems. Direct communication is important and the committee on ministry should not be expected to solve problems with the minister or within the congregation.

What should leaders of the congregation do when unhealthy anxiety and/or conflict threatens? The best thing is to ask for help before it gets to that point. Even the slightest hint that something is not right and your congregation might not be able to resolve the issue by itself, the first person to contact is our very competent District Executive, Rev. Kenn Hurto.

As always I look forward to hearing from you at jlund@uua.org or 813-931-9727. May your congregation enjoy good health and relationships as you work together now and in the future.
